COMMUNITY MEETING

BURLINGAME RECREATION CENTER
850 BURLINGAME AVE. (MAPLE ROOM)

MARCH 27, 2024
6:00 PM - 8:00 PM

The City of Burlingame is hosting a Community Meeting to continue our engagement with the neighborhood about the Occidental Ave Bike and Pedestrian Street Improvement Project. This project proposes to enhance safety for drivers, cyclists, and pedestrians by making improvements at Occidentals intersections with Ralston and Chapin. The City will present revised concepts based on feedback received at the first community meeting.

Please join us to have your voice heard.
