+ EV Charging Stations (additional charging rates apply)

# Parking Areas

The City of Burlingame maintains on-street and parking lots to serve customers, visitors, employees, and residents. Parking fees and time restrictions are set to encourage employee parking in the outer fringe areas of the district while promoting customer and visitor parking closed to Burlingame Avenue.

## Upcoming Changes

To better serve future downtown visitors, the City of Burlingame has approved the transformation of Lots F&N into a multi-level parking structure and housing development. Learn more online about how you can help minimize the parking impacts and the City's innovative strategies designed to alleviate the transition. For more information: [www.burlingame.org/villageatburlingame](http://www.burlingame.org/villageatburlingame)

## On-Street Parking

The City has transitioned many meters to accept credit card payments and will be rolling out a pay-by-mobile feature for some meters. Many of the meters found on-street have the following time restrictions: 24-min., 2 hour, and 4 hour.

## Parking Lots

The City provides 19 parking lots and 8 of the lots are equipped with pay-by-space stations. The parking lots have the following time restrictions: 2 hour, 4 hour, 9 hour, and 10 hour. Keep your receipt for proof of payment. Park Lot V and City Hall lot have 2 dual cord EV charging stations (additional charging rates apply).

## Payment

Meters and pay-by-space stations accept nickels, dimes, quarters, dollar coins, and some accept credit card payments.

Overnight parking is not allowed in City Parking Lots where posted or metered spaces.
