

NOTICE OF COMMUNITY MEETING

Wednesday, April 10, 2019
Burlingame Recreation Center
850 Burlingame Avenue
6 to 8 PM

Topgolf builds and operates state of the art golf practice facilities and is planning on redeveloping the City of Burlingame's existing golf driving range at 250 Anza Boulevard. Topgolf is a golf practice facility and entertainment destination. Topgolf provides golf hitting bays, food and beverage service, and other entertainment making this proposal a true community destination.

The Topgolf team will be presenting preliminary plans for the public's review and comment. The project is still in the early stages of the review process and will undergo a full review by the City of Burlingame. This community meeting is intended to introduce the Topgolf conceptual plans before the City's review process starts later in April.

All are welcome to attend this informational meeting to find out more about this project. For more information about the meeting please email Richard Hackmann at rhackmann@lh-pa.com.

Light refreshments will be provided.

Thank you,

The Project Team
