*The City of Burlingame is endowed and forested with a variety of healthy and valuable trees which must be protected and preserved. The preservation of these trees is essential to the health, welfare and quality of life of the citizens of the City. The Beautification Commission was formed to assist the City Council and staff with such protection and preservation.*

1. Please comment on how you feel that your education, training, experience and community involvement will be a benefit to the Beautification Commission and to the community?
2. Please list the community activities or organizations you have participated in and indicate your level of involvement (member, attended event, ran a booth, worked on the organizing committee, was an officer, etc.).
3. The Beautification Commission meets monthly. Do you feel that you have the time to make such a commitment?
4. Burlingame is known as the "City of Trees". What does this statement mean to you?
5. As a Beautification Commissioner, you will need to apply the City's tree related ordinances to many specific situations. Have you ever been in a situation where you have had to make judgment on laws, rules or regulations? If so, please describe that experience.
