

Dear citizens of Burlingame,

I can't thank you enough for all of your support and generosity. It means alot to all of us to know that the people and country we love are back home thinking of us. Even though everyone may not agree with what we are doing over here you are still supporting your fellow Americans who are putting our lives on the line everyday. It's nice to know that people care enough about us to take time out of their busy lives to send us much appreciated gifts. It really makes all of us happy each time we receive anything from back home. Alot of us don't have any family or friends that send us anything so to receive gifts from anyone makes it all the more special. Thank you all for everything you do.
